Welcome to AIRS 14th Annual Global Job Board Directory

AIRS is committed to supporting the recruiting community, and our annual directory is just another way we like to provide recruiters with valuable tools to help them do their jobs more quickly and efficiently. As more and more resources become available to professionals in today’s recruiting environment, it is now more important than ever to have a resource to turn to that aggregates the information you’re looking for in one easy-to-use format. AIRS Global Job Board Directory provides that comprehensive tool recruiters can reach for again and again when seeking targeted job boards, listings of applicant tracking systems and more. The directory comes in an online version at airsdirectory.com where you can refine your searches electronically and get to the job boards and recruiting technology information you’re looking for quickly.

Get Listed in the 2019 Directory!

Didn’t make it into this year’s directory? Visit [this link](#) to submit your posting for the 2018 edition. By submitting your request, your listing can also make it into the 2018 electronic version of the directory during the next update.

AIRS SearchLab will allow you to master the core elements of internet search and easily target passive candidates to fill your toughest openings. At the end of this course, you’ll be ready to test for the industry-recognized Certified Internet Recruiter (CIR) certification. Numerous leading global companies require that their recruiters hold a current CIR certification.

What you’ll know after SearchLab:

- How to master Boolean operators, modifiers, search characters and field search commands to effectively develop your candidate searches
- How to evaluate the key elements of a PowerSearch string and how to build your own targeted candidate searches
- Smart strategies to master the use of XRay and FlipSearch, the true power tools of search, to source the web
- How to successfully analyze your requisitions and identify the crucial and sometimes subtle keywords that can enhance your search results
- New ways to utilize websites and directories that bring competitors and organizations to your fingertips for direct search
- How to leverage social media to create a pipeline of passive candidates

SearchLab is the most recognized internet recruitment training course in the world.

Social Media is the medium for leading edge recruiters to locate and engage with the top talent they need for their organizations. AIRS CSSR class is built upon years of experience using a variety of social media sites for sourcing and recruiting passive candidates.

**What you’ll know after Certified Social Sourcing Recruiter:**

- Learn about the variety of social media sites you can use to impact your social recruiting initiative
- Study companies actively engaged in using social media as an employment branding tool and take away best practices that you can use to craft your own strategy
- Reach into the talent pools online using tested search techniques. You will access profiles, lists, and more
- Examine social media applications and how they can be used to share your employment brand message, respond to your talent pool inquiries and create an overall engagement with your future hires

Certified Social Sourcing Recruiter (CSSR) is an elite designation that ensures you’ve attained a thorough and up to the minute understanding of sourcing via social media.

**Get Certified!**
When you become AIRS Certified, you earn powerful career tools for sourcing, hiring and retaining top talent.

In the realm of social media there are numerous websites that are not well traveled by recruiters, yet are full of potential candidate profiles. Many companies post images and videos of their top performers, so why not take advantage? In this unique and extremely cutting edge AIRS Certification class, attendees will learn how to leverage multimedia sites, shopping sites, and even dating sites to locate candidates using resources that other recruiters may never think to target. Using highly trafficked sites, such as YouTube, Pandora, Pinterest and eBay attendees will learn how to quickly and effectively locate user profiles and gather competitive intelligence.

**During this one day session you will:**

- Learn how to use the most high trafficked cutting edge online communities today to source talent for free.
- Discover the most innovative search engine tactics never taught before in any other AIRS class.
- Examine free functionality on many of these high trafficked online community sites that allow any users to contact another user without paying a dime.
- Leverage keywords for multimedia sourcing that generates names of top performers for direct competitors that may never be found elsewhere online, especially not on LinkedIn.
- Understand specific Boolean search tactics that are used for specific multimedia, shopping or dating sites to locate professionals online.
- Outshine the competition by using the latest online community sourcing tactics to uncover talent that may never be found on any other website today.

CDR is not only about finding candidates, but also about appealing to them and getting them excited about working for your organization. To become a Certified Diversity Recruiter you must demonstrate a mastery of the tactics and strategies required to source, recruit and hire a diverse workforce.

**What you’ll know after Certified Diversity Recruiter:**

- How to understand changing demographics and how they affect your diversity recruitment
- The buying power of minorities and how that relates to diversity recruiting
- How to build a case for diversity with your hiring managers
- The difference between diversity and EEOC
- What diverse candidates look for
- How to brand your company’s recruiting to attract diversity
- How to locate diverse resources online
- How to actively source diverse candidates through organizations, universities, companies and social networking.

Certified Diversity Recruiter (CDR) covers foundations of diversity recruiting and searching for diverse talent.

**Get Certified!**

When you become AIRS Certified, you earn powerful career tools for sourcing, hiring and retaining top talent.
